

NEWS LETTER Vol.2 NOVEMBER-DECEMBER, 2024

RAMA DEVI INTERNATIONAL SCHOOL

Founder Manager

Eminent and outstanding, the honourable Founder **Mr. Moolchand Chaudhary** is indeed inspirational. Started with two children, his 1st attempt towards education development was R.D. Public School in Sector-22, Noida. Presently the strength crosses 2000. With the aim to emphasize child education, he strived to establish his 2nd School City Public School, Sector-61, Noida where he even promoted the concept of Girl child education by offering 50% discount on the admission of each girl child. The next step to the upliftment of girl child was the establishment of Rama Devi Kanya Maha Vidyalaya for promoting higher education for the girls. The 3rd step taken is the establishment of Rama Devi International School in Roza Jalalpur which has been emphasizing on educating the rural children of this area as well as promoting girl child education for which again a percentage of admission fees is waived during the admission of girl child. Under his stewardship, the institution grew by leaps and bounds and today it is the forefront to reckon with. He not only believed in child centric and value based quality learning for the privileged and underprivileged but also infused qualities of leadership and sincerity in his commitments. The R.D.I.S. Gr. Noida (W) which is established in 2016 is a living legacy of his ideologies.

Chairman's Desk

A word from the Chairman Desk,

*"If your plan is for a year, plant rice
If your plan is for a decade, plant tree
If your plan is for a lifetime, educate children."*

Education not only connotes state-of-the-art infrastructure, vast number of the student, sophisticated laboratories and equipment's, well stocked libraries, etc. its distinguishing feature is the emphasis on preparing students to face life itself, through efforts to develop their personality and character, and hone their mental skills to cope with the problems and challenges of the complex world today.

The new academic session is going to start soon and I welcome all the new students who secure admission in this institution. I am also sure that all the parents would extend their fullest support and co-operation to us in our effort to help their wards grows up as responsible citizens of this great country.

I wish all the students a fruitful and bright future.

Mr. Amit Kumar

Principal's Desk

With Best Wishes,

Mrs. Sarita Bhati
Principal

Dear Parents,

I heartily welcome everyone to Rama Devi International School. I am looking forward to the new academic year and I feel blessed as Principal here. I am pleased to be given the opportunity to work with such an outstanding school and parish community. The staff at R.D.I.S. is committed to high expectations for all students and providing the best possible learning environment. We will work as a team of students, teachers, parents and community as we encourage our students to believe in themselves, achieve knowledge and gain social skills in order to become successful.

The school motto "We aspire to achieve and innovate to create" is supported by a holistic approach to personal learning. We help the children in their all round development. Our classroom teaching is enriched with projects and activities. Remedial teaching is an integral part of the time table.

We provide innovative and diverse learning experiences to our students. We will continue to work towards helping them to imbibe the value of dignity of labour and cleanliness and to foster a spirit of gratitude and compassion.

By choosing R.D.I.S. you are selecting a school that is committed to ensuring your youngsters meet their full potential. I invite you to explore our website and find out more about what we have to offer.

FOUNDATIONAL STAGE OF EDUCATION

Late Shri Ratan Tataji

Shri Mukesh Kumar (Coordinator)

The foundational stage of children's education and their overall growth and holistic development plays a very crucial role and learning. Equity and equality at this stage is the basic requirement for their overall development. The concept like Early Childhood Care and Education (ECCE) as per NEP 2020 emphasizes developing the relevant concepts and attaining requisite competencies to facilitate optimal learning when children start learning. The learners at this stage comes from diverse background to school, now it becomes very crucial to the school and teachers teaching at this stage to provide children opportunities to promote their holistic development in an integrated manner through diverse range of activities like by inculcating play based pedagogy, role play method, game-based pedagogy, experiential learning, critical learning, creative learning, fearless and joyful learning.

The objective could only be achieved with the help of coordination between teacher and parents from time to time. Community also plays a very important role in the growth and development of learners at this stage.

Key areas of foundational stage education:

- * Holistic development
- * Cognitive development
- * Psychomotor Development
- * Critical thinking
- * Creative learning
- * Joyful and stress-free environment
- * To address the learning needs of children with special needs.
- * Game based pedagogy.
- * To make them independent in problem solving.
- * To attain foundational literacy and numeracy by the end of Grade III.

Ratan Tata was the son of Naval Tata, who was adopted by Ratanji Tata, son of Jamshedji Tata, the founder of the Tata Group.

He graduated from Cornell University College of Architecture with a bachelor's degree in architecture. He had also attended the Harvard Business School (HBS) Advanced Management program in 1975. Ratan Tata, one of India's iconic business leaders and former chairman of the Tata Group, passed away on Wednesday (October 9, 2024) at the age of 86. In a statement confirming the news, N.

Chandrasekaran, Tata Sons Chairman, expressed, "On behalf of the entire Tata family, I extend our deepest condolences to his loved ones. His legacy will continue to inspire us as we work to uphold the values he so passionately championed." Under Ratan Tata's visionary leadership, the Tata Group grew into a global powerhouse. His contributions span various sectors, from engineering to technology. The group's significant global expansion under his leadership stands as a testament to his transformative impact on the Indian industry. Here is a glimpse into the life and times of Mr. Tata.

IMPORTANCE OF CHEMISTRY IN LIFE

Chemistry is all around us, from the air we breathe to the water we drink. Yet, for many students, the subject remains confined to the walls of the classroom, perceived as a dry and abstract discipline.

As chemistry teachers and tutors, it is our responsibility to bridge this gap and bring the excitement of chemistry to students' daily lives. By demonstrating the real-world applications of chemistry, we can ignite their curiosity and make our classes more engaging and memorable.
